

GOVERNOR WM. SPRY ISSUES ADDRESS TO REPUBLICANS

Governor William Spry issued the following address to the Republicans of Weber county yesterday.

"Weber county and the city of Ogden have been very loyal to me throughout my administration as governor of Utah. If the past eight years have been marked with progress along the lines of constructive Republican principles in the state of Utah, it has been due largely to the fact that I have been made to feel that the big, fair-minded men and women of Weber county have been squarely behind my administration and that they believed in me as a man of honor and probity, regardless of the attempts of whispering character assassins to pervert facts and weave a mysterious story of perfidy and party betrayal in connection with my administration. The people of this state have twice elected me governor. It is honor enough for any man. I would have been more than content to have retired at the end of my present term, feeling proud of the substantial support that has been given me, leaving my record as an open book for friends and foe alike. This I would have done had I not been forced to record myself, my good name and my record as governor against the false and malicious attacks made upon me. Therefore, I am a candidate for re-nomination upon the urgent advice of good friends in Weber county and other parts of the state who feel that I have been unjustly assailed, that my record is clean and that I deserve and should have vindication from such attacks. I am a Republican and I hold the cardinal principles of the Republican party, inviolate, but, as I have said before, I hold and will continue to hold principle above men and party success.

"There has been no political trick to which my opponents have not stopped in this campaign. They are dealing to defeat me singly and in various combinations. I shall go before the Republican convention on my record for fulfillment of party pledges as outlined in the Republican platforms of my administration and if I am nominated I will make the race strictly on the pledge contained in the platform adopted by that convention.

"And to this end I am asking my friends to turn out to tonight's primaries and do their share in securing fair play. More than that I do not want and I feel that I can depend upon the loyal Republicans of Ogden and Weber county to give me the support I am asking by attending the primaries and seeing to it that delegates favorable to my candidacy are elected.

(Signed) WILLIAM SPRY,
Candidate for Republican Nomination for Governor."

GOVERNOR'S RACE CLOSE IN MISSOURI

St. Louis, Mo., Aug. 2.—The Republican gubernatorial nomination was in doubt this morning, returns from the Missouri primary held yesterday indicating a close race between Henry Lamm and John E. Jefferson City, Mo., Aug. 2.—Returns here today indicated that Fred S. Gardner had been nominated on the Democratic ticket for governor by a plurality estimated at 2000. John E. Swanger has obtained the Republican gubernatorial nomination by an estimated plurality of 11,000, according to available totals here.
